

Swimming Northern Territory Short Course Development Meets 2020

Swimming Northern Territory is offering development opportunities in May for our 9-12-year old's and 13 & Overs. These opportunities are development clinics which will run by elite swim coaches and sport specific strength and conditioning coaches. These are an amazing opportunity for athlete and coach development. In order to attend these clinics you **must** compete at both short course development meets offered, 19th of April 2020 & 9th of May 2020. Special consideration will be given to our remote club swimmers (Alice Springs, Katherine & Nhulunbuy) wishing to attend the development clinics. Full Details on each development clinic will be available on our website (<https://nt.swimming.org.au/community-2/swimmers>) .
